

**TRIPLE C NURSERY SCHOOL**  
"Christian Care for Children"  
On My Own Class

Triple C Nursery School is a preschool program for children ages 2 to 5. We have an On My Own program for children who are 2 by August 31 and turn 3 after this date. This 90-minute class is held twice a week, September through May. There is a Head Teacher and an Assistant Teacher in the classroom with a maximum of 12 students. The purpose of this program is to provide young preschoolers the opportunity to learn and play in a semi-structured environment that prepares them to attend our two-day program the following school year.

Each class period offers activities such as free play, crafts, music and finger plays, circle time, Bible stories, and snack. Occasionally, the children will also visit the playground or gym.

Children will have a small snack each day. Parents may provide a special birthday snack for the class when it is their child's birthday. Also, if a child has a food allergy, parents are encouraged to provide a snack for the child each time the class meets.

For Christmas and Valentine's Day, the children have a party in their classroom with treats provided by the parents. We do not invite the parents for these occasions in order that the children grow in confidence in being separated from their parents. At the end of the school year, there will be a party or event which the parents are invited to join their children and the teachers as they celebrate the growth and development of the boys and girls over the last 9 months.

We also offer a 2-AM program for children who are 3 by August 31, a 3-AM program for children who are 4 by August 31, and a Pre-K program for children who are 5 by November 30 (with Director's approval). Please see the Director for more information. (These programs encourage parent participation in the classroom throughout the school year!)

Annual tuition for the 2-AM On My Own is \$795.50, payable in 10 monthly installments of \$79.50. Tuition is due the first of each month. **The first installment will be due August 1.**

**There is a \$25 non-refundable registration fee payable when you submit your application for enrollment. Please return the gold application and pink personal information forms as soon as possible.** Upon receipt we will confirm your child's enrollment. An emergency form will be sent to you during the summer to be returned to
