Snack:

During the month of September, Triple C will provide the children's daily snack. However, beginning in October, a child will be assigned "snack duty" for our Friday class each week. Triple C will continue to provide snacks on Wednesdays throughout the school year. **REMINDER:** Triple C is a peanut free school. Please do not send in any snack that contains peanuts, tree nuts, or traces of nuts. Please read labels carefully. Children will be given the opportunity to send in a special snack for birthdays. Thank you!

Please bring a PICTURE OF YOUR CHILD (no larger than 4x6) to use in a special project by Friday, September 28. Please make sure to write your child's name on the back. Thank you!

The playground is available for use after On My Own, however, for safety reasons, if another class is on the playground, we ask that you wait until that class leaves before allowing your child to play. Thank you for your understanding!
