

CLASS NEWS

2AM Mrs. Krochmal/Mrs. Derr

September 2018

Curriculum

Social/Emotional: adjusting to school

Language: listening, following group directions, learning names of friends

Pre-Math/Science: creation, water play

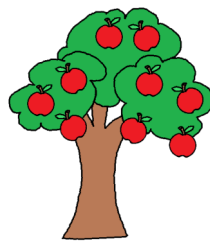

Motor skills: learning the right way to handle glue and crayons; walking in line; playground skills

Bible Stories

Our theme is "God creates the world." Our stories are:

- Week 1: Intro to the Bible.
- Week 2: God made the land.
- Week 3: God made plants.
- Week 4: God made animals.

We will also read lots of picture books from the Triple C library.

Welcome to Triple C!

Our focus in these first days of school will be adjustment to school. We want each child to feel safe, secure and accepted. The children will build an awareness of appropriate behavior and become familiar with school routines.

Our curriculum is designed to foster development in many areas with different emphasis each month. We hope they will learn to make new friends, try new things and just have fun!

Thursday, 9/6—First Day of School

Thursday, 9/20—Director reads to the students.

**Please send in a 4x6 picture of your child by 9/27 for a project.

Our Bible Verse

"Everything God made is good." I Tim 4:4
